Nadine Bade

Curriculum Vitae

Contact

Address	Department of Linguistics, Karl-Liebknecht-Strasse 24-25, 14476 Potsdam
Phone	+49 331 9776373
Mail	nadine.bade@uni-potsdam.de
Homepage	www.nadinebade.de

Education

08/2019	**lab visit**, *eye-tracking lab*, University of Pennsylvania, Philadelphia, collaboration with Prof. Dr. Florian Schwarz.
10/2018	**lab visit**, *eye-tracking lab*, University of Pennsylvania, Philadelphia, collaboration with Prof. Dr. Florian Schwarz.
10-11/2017	**lab visit**, *eye-tracking lab*, University of Pennsylvania, Philadelphia, collaboration with Prof. Dr. Florian Schwarz.
2010–2015	**Ph.D. student**, *English Linguistics*, University of Tübingen. Grade: *Summa Cum Laude*
01-05/2012	**visiting fellow**, *Linguistics Department*, Harvard University, Boston, Sponsor: Prof. Dr. Gennaro Chierchia.
09/2008–05/2009	**visiting student**, *Linguistics Department*, University of Massachusetts, Amherst.
2004–2010	**M.A. student**, *English Linguistics, University of Tübingen*, adviser: Prof. Dr. Sigrid Beck, second major: rhetoric. Grade: *"with distinction" (1.0)*

Employment

04/2023–	**project leader (PI)**, Department of Linguistics, University of Potsdam, Project "Pragmatic reasoning with (non-)visual alternatives", Priority Program 2392 "Visual Communication: empirical, theoretical and applied approaches". Funded by the German research foundation (DFG)
10/2022–03/2023	**substitute professor**, Department of Linguistics, University of Potsdam, Chair: "Semantics and grammar theory". chair holder: Prof. Dr. Malte Zimmermann

04/2021–09/2022	**post-doctoral researcher**, Department of Linguistics, University of Potsdam, project C02 "Limits of cross-linguistic variability in underspecified structures", collaborative research center 1287 "Limits of variability". Funded by the German research foundation (DFG), PI: Prof. Dr. Malte Zimmermann
10/2019–03/2021	**post-doctoral researcher**, Department of Cognitive Science, École Normale Supérieure, Paris, Project "Between Language and Reasoning". Funded by the *Agence Nationale de la Recherche* (ANR), PI: Prof. Dr. Salvador Mascarenhas
2016–09/2019	**post-doctoral researcher**, Priority Program Xprag.de: New pragmatic evidence based on experimental evidence, University of Tübingen, project "Obligatory Triggers: Experimental Evidence" (ObTrEx). Funded by the German Research Foundation (DFG), PI: Prof. Dr. Sigrid Beck
2014–2015	**research assistant**, Priority program Xprag.de: New pragmatic theories based on experimental evidence, University of Tübingen, project "Obligatory Triggers: Experimental Evidence" (ObTrEx). Funded by the German Research Foundation (DFG), PI: Prof. Dr. Sigrid Beck
2010–2014	**research assistant**, Collaborative research center 833 *"The constitution of meaning"*, University of Tübingen, Project A2 "Interpretability in context". Funded by the German Research Foundation (DFG)
2009–2010	**student research assistant**, Collaborative research center 833 *"The constitution of meaning"*, University of Tübingen, project B2 "Time course of the cerebral processing of presuppositions". Funded by the German Research Foundation (DFG)

Third-party funding

2022	**German Research Foundation (DFG)**, *"Pragmatic reasoning with (non-)visual alternatives"*, Priority Program 2329: Visual Communication - theoretical, empirical and applied perspectives, duration of funding: 3 years. amount: 422.450 Euro
2008	**Scholarship**, *Baden-Württemberg Foundation*, funding for 9 months abroad. amount: 2500 Euro

Publications

Peer-reviewed articles

under revision	**Bade, N.**, E. Chemla & P. Schlenker "Word learning tasks as a window into the *triggering problem* for presuppositions", , Natural Language Semantics
under revision	**Bade, N.**, W. Chung, L. Picat, R. Dudley & S. Mascarenhas "A model for pragmatic strengthening – evidence from a new priming paradigm", Journal of Memory and Language
[11] 2022	Chung, W., **N. Bade**, S. Blanc-Cuenca & S. Mascarenhas "Question-answer dynamics in deductive fallacies without languages", *Proceedings of the 44th Annual Cognitive Science Society Meeting*

[10] 2022 **Bade, N.**, L. Picat, W. Chung & S. Mascarenhas "Alternatives and attention in language and reasoning – A reply to Mascarenhas & Picat (2019)", *Semantics and Pragmatics*

[9] 2021 **Bade, N.** "On the scope and nature of *Maximize Presupposition*", *Language and Linguistic Compass*

Thesis

2016 "Obligatory Presupposition Triggers in Discourse - Empirical Foundations of the theories *Maximize Presupposition* and *Obligatory Implicatures*", University of Tübingen, advisers: Prof. Dr. Sigrid Beck, Prof. Dr. Gennaro Chierchia

Monographs

2020 Bauer, M., S. Beck, S. Brockmann, S. Riecker, A. Zirker & **N. Bade.** *More on the Grammar of Emily Dickinson*. Berlin: Mouton de Gruyter

.

Papers in edited volumes

2015 **Bade, N.**, M. Bauer, S. Beck, C. Dörge & A. Zirker "Ambiguity in Shakespeare's Sonnet 138", In S. Winkler (ed.), *Ambiguity: Language and Communication*. Berlin: de Gruyter, 89-109.

Presentations

Job talks

2023 "Computational modeling in semantics and pragmatics – the case of *many*", Assistant Professor, *Experimental and Computational Approaches to Semantics and Pragmatics*, University of Amsterdam, **short listed**

2021 "Reasoning with and without language – experimental evidence" *Assistant professor in Semantics*, University of Tel Aviv, **short listed**

2021 "Alternatives and attention in language and reasoning – the case of modals" *Assistant professor in English Linguistics*, University of Konstanz, **short listed (2)**

2019 "Discourse function of obligatory additive particles" *Assistant professor in Semantics and Pragmatics*, Humboldt-University Berlin, **short listed (3)**

2016 "Presupposition triggers as discourse managers – experimental evidence" *Assistant professor in Experimental Pragmatics*, University of Bochum, **short listed**

Invited talks

2024 "Linguistic Illusions Revisited: The Role of Maximal Informativity", with Vera Hohaus and Ryan Walter Smith, *Semantics Colloquium*, University of Frankfurt

2023 "Word learning tasks as a window into the 'triggering problem' for presuppositions", with P. Schlenker und E. Chemla, *Linguistics Colloquium*, University of Stuttgart

2023 "Word learning tasks as a window into the 'triggering problem' for presuppositions", with P. Schlenker und E. Chemla, *Semantics Circle*, Leibniz-ZAS Berlin

2020 "Alternatives and attention in language and reasoning – The case of modals", joint work with L. Picat, W. Chung and S. Mascarenhas, Syntax-Semantics-Colloquium, University of Potsdam

2020 "New data on presuppositional competition – a new hope for *Maximize Presupposition*?", joint work with F. Schwarz, Experimental and Theoretical Approaches to Presuppositions, workshop of project B2, CRC 883, University of Tübingen

2019 "(In-)definites, (anti-)uniqueness, and uniqueness expectations", with F. Schwarz, semantics circle, University of Lyon

2018 "Japanese *wa* and *ga* as scope markers of EXH", Syntax-Semantics-Colloquium, University of Nantes

2018 "Exhaustivity in questions - evidence from German *so* and *alles*", Semantics Workshop, University of Wien

2017 "Maximizing the presuppositions of features", *Syntax-Semantics-Colloquium*, University of Nantes, CNRS

2017 "The interpretation of number in which-questions", *Common Ground*, University of Pennsylvania, Philadelphia

2017 "Processing Antipresuppositions", *Workshop on Theoretical and Experimental Approaches to Presuppositions*, University of Genoa

2016 "Obligatory presuppositions as a window into exhaustivity implicatures", *Linguistics-Colloquium*, University of Potsdam

2015 "Obligatory presuppositions as a window into exhaustivity implicatures", *Linguistics-Colloquium*, University of Graz

2015 "Obligatory presuppositions as a window into exhaustivity implicatures", *Linguistics-Colloquium*, University of Göttingen

Conference presentations

2020 poster, "New data on the competition between definites and indefinites", with F. Schwarz, *ELM* 2020, University of Pennsylvania, Philadelphia

2020 poster, "New data on the nature of the competition between definites and indefinites", with F. Schwarz, *CUNY* 2020, University of Massachusetts, Amherst

2019 "(In-)definites, (anti-)uniqueness, and uniqueness expectations", with F. Schwarz, *CogSci* 2019, University of Montreal

2019 "(In-)definites, (anti-)uniqueness, and uniqueness expectations", with F. Schwarz, *XPRAG*, University of Edinburgh

2018 poster, "Japanese *wa* and *ga* as scope markers of EXH", *WAFL*, MIT

2018	"An experimental investigation of anti-presuppositions", with Florian Schwarz *PLC 42*, Philadelphia, University of Pennsylvania
2018	"Using fictional contexts in experimental studies on reinterpretation: benefits and challenges", *Linguistic Evidence 9*, University of Tübingen
2017	poster, "Processing Antipresuppositions'." *XPRAG*, University of Cologne
2017	poster, "Evidence for global pronoun resolution", with Saskia Brockmann, *XPRAG*, University of Cologne
2017	"Cross-linguistic variation in pragmatics: Maximize Presupposition vs. Obligatory Implicatures in Ga (Kwa)", *Workshop on "Secondary Information & Linguistic Encoding"*, DGfS meeting Saarbrücken
2017	poster, "Cross-linguistic variation in pragmatics: *Maximize Presupposition* vs. *Obligatory Implicatures* in Ga (Kwa)", *GLOW in Asia*, University of Singapore
2016	poster, "FictionalAssert and Implicatures", *Linguistic Evidence 8*, University of Tübingen
2016	poster, "Additives as a window into local exhaustivity implicatures", *Sinn und Bedeutung 21*, University of Edinburgh
2015	"Experimental evidence for the difference between soft and hard triggers", with Dr. Sonja Tiemann, *XPRAG*, University of Chicago
2015	poster, "Domain Restriction Presupposed" *XPRAG*, University of Chicago
2015	"Obligatory Triggers under Negation", with Sonja Tiemann, *Sinn und Bedeutung 20*, University of Tübingen
2014	"Pronouns Without Referents? A Linguistic and Literary Perspective", with Dr. Saskia Ottschofski, *Literary Semantics: Past, Present, Future?*, University of Kent
2013	poster, "Exhaustive Interpretation and the Presupposition of 'too'", *Sinn und Bedeutung 18*, University of the Basque Country
2013	"Obligatory Presuppositions and Exhaustive Interpretation", *International Conference of Linguistics (ICL)*, University of Geneva

Teaching and advising

Teaching

Winter 2022/23	**instructor**, *Modals and Conditionals*, M.Sc. seminar, Department of Linguistics, University of Potsdam. ∼ 10 students
Winter 2022/23	**instructor**, *The Semantics-Pragmatics Interface*, B.A./B.Sc. seminar, Department of Linguistics, University of Potsdam. ∼ 10 students
Winter 2022/23	**instructor**, *Fieldwork*, M.Sc block seminar, Department of Linguistics, University of Potsdam/University of Ghana. 2 week winter school at the University of Accra, Ghana, ∼ 20 students

Winter 2022/23	**instructor**, *Intensional Semantics*, B.A/B.Sc. seminar, Department of Linguistics, University of Potsdam. ∼ 20 students
Summer 2022	**instructor**, *Introduction to Semantics*, lecture, Department of Linguistics, University of Potsdam. ∼ 25 students
Summer 2022	**instructor**, *Experimental semantics and pragmatics*, B.A. seminar, Department of Linguistics, University of Frankfurt. ∼ 5 students
Winter 2021	**co-instructor**, *Psychosemantics*, M.Sc. colloquium, Department of Linguistics, University of Potsdam, with Prof. Dr. Nicole Gotzner. ∼ 10 students
Winter 2021	**co-instructor**, *Psycholinguistic approaches to semantics*, M.Sc. seminar, Department of Linguistics, University of Potsdam, with Prof. Dr. Malte Zimmermann. ∼ 10 students
Summer 2020	**instructor**, *Introduction to Semantics*, lecture, Department of Linguistics, University of Potsdam. ∼ 25 students
Winter 2018	**instructor**, *Experimental Pragmatics*, 3-day class, Linguistics Department, Osaka University. ∼ 10 students
Winter 2018	**instructor**, *Formal Pragmatics*, lecture, English department, University of Tübingen. ∼ 10 students
Winter 2017	**co-instructor**, *Introduction to Linguistics*, lecture, English department, University of Tübingen. ∼ 150 students
Summer 2017	**co-instructor**, *Introduction to Linguistics*, lecture, Department of Linguistics, University of Tübingen. ∼ 150 students
Summer 2017	**instructor**, *Experimental Pragmatics*, M.A./Ph.D. seminar, English department, University of Saarbrücken. ∼ 5 students
Winter 2016	**instructor**, *Introduction to Semantics*, M.A. seminar, English department, University of Tübingen. ∼ 10 students
Summer 2016	**instructor**, *Semantics-Pragmatics Interface*, B.A. seminar, English department, University of Tübingen. ∼ 5 students
Summer 2015	**co-instructor**, *New Trends in Pragmatics*, M.A./Ph.D. seminar, English department, University of Tübingen, with Prof. Dr. Sigrid Beck. ∼ 15 students

Winter 2014	**instructor**, *Structure and Meaning*, B.A. seminar, English department, University of Tübingen. ∼ 30 students
Summer 2014	**instructor**, *Structure and Meaning*, B.A. seminar, English department, University of Tübingen. ∼ 30 students
Winter 2013	**instructor**, *Structure and Meaning*, B.A. seminar, English department, University of Tübingen. ∼ 30 students
Winter 2012	**co-instructor**, *New research in semantics*, M.A./Ph.D. seminar, English department, University of Tübingen, with Prof. Dr. Sigrid Beck and Dr. Vera Hohaus. ∼ 15 students
Winter 2011	**instructor**, *Structure and Meaning*, B.A. seminar, English department, University of Tübingen. ∼ 30 students
Summer 2011	**instructor**, *Structure and Meaning*, B.A. seminar, English department, University of Tübingen. ∼ 30 students
Winter 2010	**instructor**, *Structure and Meaning*, B.A. seminar, English department, University of Tübingen. ∼ 30 students
Summer 2010	**teaching assistant**, *Syntax and Semantics*, English department, University of Tübingen. Instructor: Dr. Sonja Tiemann
Winter 2009	**teaching assistant**, *Syntax and Semantics*, English department, University of Tübingen. Instructor: Dr. Sonja Tiemann
Summer 2008	**teaching assistant**, *Structural Differences between German and English*, English department, University of Tübingen. Instructor: Prof. Dr. Sigrid Beck
Summer 2007	**teaching assistant**, *Syntax and Semantics*, English department, University of Tübingen. Instructor: Dr. Remus Gergel

Advising

2024	Ari Joshi, M.A. thesis , "An experimental exploration of negative illusions", University of Potsdam
2023	Henri Ebert, B.A. thesis "Gamification als Methode am Beispiel von Exhaustivitätseffekten' (*"Illustrating Gamification as a method with exhaustivity effects"*), University of Potsdam
2023	Zaher Alkaei, B.A. thesis "Projective Content in Syrian Arabic", University of Potsdam

2022 Franziska Mey, B.A. thesis "Inverser Skopus im Deutschen – Eine Experimentelle Covered-Box Untersuchung" (*"Inverse scope in German – an experimental investigation using the covered box paradigm"*), University of Potsdam

2021 Clara Lehmann, B.A. thesis "Definitheitseffekte in Deutschen Komparativen" (*"Definiteness effects in German comparatives"*), University of Potsdam

2019 Julia Braun, M.A.thesis "If they would listen to their teachers: the acquisition of English conditionals by German native speakers", University of Tübingen

2019 Benjamin Ulmer, M.A. thesis "Superiority Effects and Intervention Effects", University of Tübingen

2018 Lukas Stein, M.A. thesis "A comparison of mention-all and mention-some answers", University of Tübingen

2017 Sarah Ida Bussmann, M.A. thesis "The number presupposition in 'which'-questions", University of Tübingen

2017 Lukas Stein, B.A. thesis "Differences between Implicatures and Presuppositions - Evidence from Processing Data", University Tübingen

2015 Achim Skuta, M.A. thesis"If I were you, would you be me? Shifted Indexicals in Counteridentical Conditionals and Dream Reports", University of Tübingen

Service and outreach

2023 **co-organizer**, *Triple A*, workshop series for semantic fieldworkers, University of Potsdam.

2023 **presentation/live experiment**, *Potsdamer Tag der Wissenschaften (Potsdam day of science)*, public event presenting research at the university, University of Potsdam.

2022 **representative of academic staff**, *Departmental Board*, University of Potsdam.

2018/19 **co-organizer**, *Exhaustivity in questions and answers*, International Xprag.de Workshop, University of Tübingen.

2017 **co-organizer**, *Non-at-issue meaning and Information Structure*, International Xprag.de Workshop, University of Oslo.

2017 **co-organizer**, *3rd group meeting of Xprag "Dojo"*, German-Japanese collaboration on Experimental Pragmatics.

2012-16 **co-organizer**, *Variables Research Group*, CRC 833, University of Tübingen.

2015 **co-organizer**, *Experimental and cross-linguistic evidence for the distinction between implicatures and presuppositions*, International XPrag.de Workshop, Leibniz-ZAS Berlin.

2015-18 **organizer**, *Syntax-Semantics reading group*, University of Tübingen.

2015 **co-organizer/Editor**, *Sinn und Bedeutung 20 (Proceedings)*, University of Tübingen.

2014 **co-organizer**, *Linguistics Meets Literature: Indexicals in narrative texts*, Workshop of project A2, CRC 833, University of Tübingen.

2014 **co-organizer**, *From sentence to text and back again*, summer school, CRC 833, University of Tübingen.

2012 **co-organizer**, *Variables at the interface between form and meeting*, CRC 833, University of Tübingen.

2011 **organizer**, *Dialogues between form and meaning*, summer school, CRC 833, University of Tübingen.

2010 **organizer**, *Linguistics Meets Literature: Reflections on methodology*, Workshop of project A2, CRC 833, University of Tübingen.
